2012 – 2013 Annual Report

July 1, 2012 – June 30, 2013

Message from the Chairman

On behalf of the El Segundo Education Foundation (Ed!), it is my distinct honor to thank the citizens, businesses, students and their families who supported Ed! throughout the 2012 -2013 school year.

Due to your generous donations we exceeded our fundraising goal by \$50,000, allowing the Education Foundation to grant a total of \$950,000 to support an invaluable curriculum for the students of the El Segundo Unified School District. This grant funded critical programs such as the Biomedical Sciences, Literacy, Math, Robotics, Music, Engineering and International Baccalaureate to name a few. Visit the Foundation's website at www.ESEdF.org to get up-to-date info on Ed!'s current events, programs, and successes.

The El Segundo Education Foundation will continue to fund curriculum and critical programs, which will maintain a high standard of excellence for the betterment of our students, our schools, and our community.

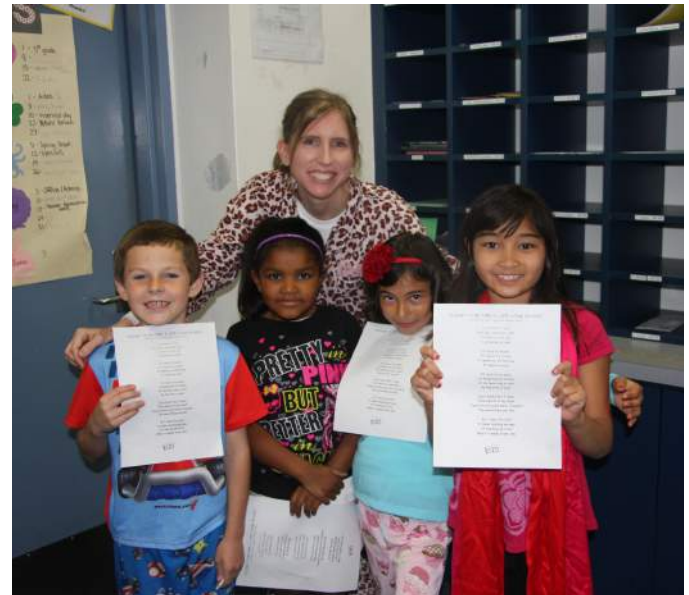

Best regards,

Jayne D. Pimlott
