Help support your local schools with Jersey Mike's Subs & the El Segundo Education Foundation.

Founded in 1983 by a group of concerned parents and community leaders, the El Segundo Education Foundation, fondly known as Ed!, has the sole mission of narrowing the gap between state funding and the actual funds required to give El Segundo students a competitive education. Through uniting business, corporations, and residents throughout the El Segundo community, Ed! aims to ensure that every student receives the quality public education they deserve.

This year, the El Segundo Education Foundation celebrates its 30th year supporting the students of El Segundo public schools. In honor of this milestone birthday, the Ed! Foundation is proud to pledge a grant of \$1,000,000 to ESUSD – double the amount pledged just five years ago. Thank you to all the families, community members, and business who help make El Segundo such a wonderful community!

The fundraising event is from July 10 thru July 21, 2013... see you there!
